Dear Interested Party:

Montana Fish, Wildlife & Parks (FWP) is proposing to build a 32' x 72' storage building adjacent to an existing fisheries storage building and located on United States Army Corps of Engineers (USACE) land at Fort Peck, Montana. The building would be maintained and owned by Fish, Wildlife & Parks.

The Draft Environmental Assessment can be found on the on the FWP website at <http://fwp.mt.gov/news/publicNotices/>. A copy of the EA may also be obtained by contacting the FWP Region 6 Headquarters Office at 406-228-3700 or by emailing katsmith@mt.gov.

The comment period for this proposal will start July 10, 2013 and run through 5:00 pm on August 10, 2013.

Please send all written comments to the following address:
